Zoologica

Maxi 48 Zoologica exotic egg incubator

Outstanding performance, even greater capacity

Building on the success of the **Maxi 24 Zoologica**, we've introduced the **Maxi 48 Zoologica** to meet the demand for a larger, high-performance incubator. Offering the same outstanding temperature and humidity control and proven reliability, it delivers double the capacity – ideal for dedicated parrot breeders who need more without compromising on quality.

Four egg size quadrants included, 'mix and match' for mixed egg sizes

Approximate egg capacities:
Finch, Lovebird 108 eggs
Cockatiel 68 eggs
Cockatoo, Small Macaw, Eclectus, African Grey, Amazon 48 eggs

- Slower egg turning with soft-start to provide gentler turning for small and fragile eggs
- Specialist parrot egg quadrants for smaller eggs: leads to less egg damage, more reliable turning of small eggs and increased capacity to 108 eggs
- Updated software for improved ease of use

KEY FEATURES

- Ideal for parrots ✓
- High visibility cabinet ✓
- Integral automatic humidity control ✓
- Display of humidity ✓
- Fine control of autoturn ✓
- Slower turning/soft start ✓
- Digital display of temperature ✓
- Automatic egg turning ✓
- Optional periodic egg cooling ✓
